In this video, I talk about the basics of character creation in FM2ND. Kakut Tsukuru is a series of games for the PlayStation and Microsoft Windows consoles. It has a robust character creation system allowing players to even create animations. There are two versions of the games: Fighter Maker (FM series) and 2D Fighter Maker (2DFM series). the team behind Angels of Battle v1.5, Angels of Battle is an action game where the player takes on the role of one of various characters. Each team is believed to have multiple characters, each with their own unique abilities, and players can play to protect their team and defeat the enemy team. This is a game that allows the player to choose how they want to play the game. Main Functions
