October 25, 2019 - qynlaqu d868ddde6e garneta - 01/28/2022. January 28, 2022. Yesterday passed under the sign of the fight against laziness. I finally managed to convince myself that this is my problem and I have to deal with it. Of course, I had no intention of leaving everything to chance and just doing nothing. I made it my mission to do something. At least a few of the simplest things, but must be done. I've been postponing them too long already.
