
Blueprints Neurology Blueprints Series Downloads Torrent 'LINK'

Download

By Frank W. Drislane MD - Blueprints Neurology (3rd Edition) at . There is a newer edition of this item: Blueprints Neurology (Blueprints Series) - 3rd Edition for . This book contains sections that describe in detail the different types of patients. This is a very good clinical practice book and not only teaches how to treat patients but also shows how to support them. The book contains many illustrative examples. Some of them are quite complex, such as how you can help a patient with Parkinson's disease to return him to a normal life. The book also includes tables and charts to help you understand everything.
