Features 4 Classes: Warrior, Ranger, Mage and Rogue. Action-based combat with dodging, aiming, combos, special skills and more. Explore a nearly infinite, procedurally generated fantasy world. Plan your next adventure with the 3D voxel world map. Scroll and zoom everywhere to find your next destination! Craft weapons, armor, potions, elixirs and food and more from ingredients found throughout the world. Tame pets that fight along your side and can be used as mounts. Non-linear, open world gameplay. Solve quests, help residents, fight huge monsters, explore ancient dungeons! It's all up to you! Discover procedurally generated lore and learn about ancient civilizations and magic artifacts. Earn gold to buy items or to book an eagle flight to new lands. Cube World Full Crack's unique per-land progression system makes finding loot, solving quests and clearing dungeons rewarding and exciting over and over again. Use your hang glider to take to the skies or explore the oceans with your boat. Find magic items to enter secret areas and to support you on your journey. Play solo singleplayer or join your friends in coop-online-multiplayer. Journeys No more boring linear missions! Explore the world in a non-linear, free roaming way. As you get to know the world you can choose which kind of adventure you'd like to go on. Hint: Sail to beautiful islands, climb dungeons, play fishing or just run around. You can also choose different paths each time you restart the game which results in different gameplay experience! We named the adventures Journey because we aimed to give you a feeling of exploring and discovering new lands! Good luck on your adventures! Featured Game Content Classes

Download Cube World now and experience action RPG's classic gem for yourself. Pick your class, create a character and start your adventure in Cube World! Check out my Cube World 2019 Gameplay: Do you remember playing The Legend of Zelda games on the NES? This is exactly the feeling you get when you play Cube World. You have to use many different tools and objects to progress through the map as you explore different locations, with puzzle elements included in each quest. For me, the graphics in Cube World look the most realistic of any game on the PS4 or Xbox One. The worlds are richly detailed and breathtaking to look at. My favourite thing to do in Cube World is to just sail through the skies on my hang glider. It allows me to progress quickly through the wilderness while also getting awesome vantage points of the voxel world below me. Wether it's on land or in the skies, the adventure never lets up and the quest to find
