Face the challenges and share the excitement of a new fantasy action RPG of AoKl in the Lands Between. ■ A Fantasy Action RPG with a Visual Atmosphere A harsh, mysterious world where wide open fields and huge, dark dungeons are seamlessly connected. The battle system is simple yet exciting as you cast the spell of the Elden Ring to suit your play style. ■ Many Unique Options to Customize Your Character • Bring your own character to the game. Choose from a variety of playable races and classes, which can be freely combined to create a unique character that suits your play style and taste. • The Legend of the Elden Ring A grim legend of the Lands Between where a familiar old ruin of the past lies. The Elden Ring is the place where your knowledge of the world and power grow deeper with your knowledge of a myth and continues to evolve. • Look and Feel Have Changed The fantasy world of Tarnished has been redesigned using 3D graphics and characters with more refined outlines. ■ Features • Choose from a Variety of Classes and Races • Fully Customize Your Character Advanced features include the ability to quickly switch to and from a god's sight, the limited Senses power, and targeted spells that can only be used for a limited time. • Participate in Multiple Online Modes for Social Play By connecting to online servers, players are able to connect together in real-time, or a connection with a specified number of people and rank. • A Unique Level Increase System This new system automatically increases the level of your character by interacting with enemy monsters. Up to this point, you can choose the difficulty level of enemies based on the attack power of your character. But, as you level up, monsters will become more difficult. About Your Computer • Compatibility with Windows 7 64-bit or Windows 8.1 64-bit * This title does not function on machines with 32-bit Windows [Playstation®4 Official Site] [XBOX® official site] [PS Vita/PAL] [SPOTIFY PLAYLIST]

Twelve Signs of the Exalted Spirits Twelve Signs of the Exalted Spirits is an action RPG that was released in both North America and Europe last month. The game was developed by Grasshopper Manufacture, the same studio that developed the DYNASTY WARRIORS EXCLUSIVE: Final Fantasy Tactics game from Square Enix. Twelve Signs of the Exalted Spirits Game Review Graphical polish: 12 Signs of the Exalted Spirits has the visual quality of a Japanese console game. A lot of attention has been paid to designing the art of the game, making the game look like a high-end Japanese console game. Twelve Signs of the Exalted Spirits Game Review Balanced battle system: 12 Signs of the Exalted Spirits is using the turn-based battle system that was introduced in the DYNASTY WARRIORS EXCLUSIVE: Final Fantasy Tactics. The battle system will allow players to execute an attack in response to an enemy's attack. Twelve Signs of the Exalted Spirits Game Review Thirteen original characters: After the long wait of the FINAL FANTASY TACTICS 2 game, the developers of Twelve Signs of the Exalted Spirits prepared thirteen new characters to join the game. The characters are all original characters and have their own personalities. Twelve Signs of the Exalted Spirits Game Review Unique combat system: The combat system in Twelve Signs of the Exalted Spirits was created so that players could move freely around the battlefield during the battle, which is quite different from the FINAL FANTASY TACTICS 2 game. Twelve Signs of the Exalted Spirits Game Review Unique RPG elements: In addition to the traditional turn-based battle, Twelve Signs of the Exalted Spirits also includes a movement-based battle (known as 'Way of the Wind'), a cooking system, an herb system, and a stage system. Twelve Signs of the Exalted Spirits Game Review Many elements of FINAL FANTASY: Although Twelve Signs of the Exalted Spirits is set in the world of FINAL FANTASY, the game is a completely new story. In addition to the protagonist, the protagonist's fiancée, and the antagonist, the game features over thirty original characters. This includes 13 beautiful characters for female characters, 13 for male characters, and 3 for side characters. Twelve Signs of the Exalted Spirits Game Review A large world with many enemies: In bff6bb2d33

Gameplay Elden Ring: Elden Ring: Elden Ring: Elden Ring: Download Elden Ring: In the conventional RPG, players who choose their characters' class experience gameplay by selecting predetermined classes. There are a variety of classes in Elden Ring, but the most abundant is the magic system, which has a flexible and intuitive interface. CHARACTER SELECTION SYSTEM ● You can freely customize the class of your character. The class system is broken down into the following three types: 1. Class change Although choosing a class is the core of the character system, even if you do not change your class, your growth in battle will continue to progress. Depending on your battle experience, you will be able to switch to a different class. 2. Skills Although class selection is the core, in addition to skills in the class system, there are also different skills that you can select to use. Furthermore, by using many different skills, you can construct a diverse strategy and unleash the power of the Elden Ring! 3. Items Many different items can be used depending on your class. Your equipment is a fundamental aspect of character growth. If you continue to raise your level, more classes will become available and more skills will become usable! CHARACTER CLASSES - General - Magic - Warriors - Assassins - Sorcerer - Ninja - Scout - Paladin - Mystic - Warrior - Spell Knight - Thief - Tempest Knight - Black Mage - White Mage - Wanderer - You can freely select one of the above classes. The order of the characters in your party will not be fixed. CHARACTER RESEARCH ● You can freely select and organize the class and skills of your character. In your research, a party will be organized to cooperate with you. Depending on the party party, you can freely choose a class or skills. ● A total of four party members can be selected. They work together to participate in quests and battles with you. There are characters such as scouts and rulers in your party. ● The order of the classes in the party list is fixed. ● Skills in the party are decided depending on the class of the character. CHARACTER CREATION ● To configure your character, you can freely assign your level, skills, items, and armor
