Could you elaborate on that point? ----- ajbatac Don't forget to add, "A bit like Goldilocks" Jay-Z 'Connected': A Lesson in the Personal Evolution of Hip Hop's Creative King Jay-Z has long been known as the man with a plan. His latest album, '4:44,' is actually a lesson in 'how to do it.' In 2014, P Diddy was said to be in a debate with fellow mogul JAY-Z over the meaning of "the evolution" in rap music. New Delhi: Congress and BJP today took a dig at each other over the mood for a change in Delhi's politics, with the former saying that people in Delhi did not want BJP to come to power and instead of pointing fingers, it is important to find a solution to the problems being faced by the people. The opposition, meanwhile, pointed out that while it is "amazed" at the support given to the government in the Lok Sabha by the Congress, the support given to the government by the BJP is confined to the Rajya Sabha. "I have never seen a situation like this in Delhi. I have seen people feeling insecure. Today, the people of Delhi say that they want BJP to get out of Delhi. The people do not want BJP to come to power in Delhi," Congress leader Randeep Surjewala said. He said it was the belief of the people that the BJP brought the "poison of communalism" to Delhi. "I am not saying if it is true, but it is the feeling and the belief of the people. Such a situation has never seen in Delhi," he said. "The Congress party believes in justice to all, peace and democracy, and this mandate by the people of Delhi is against the crimes by the BJP and the government. The Congress party is clear that one government, one solution and truth is all that should be sought and the BJP can't remain," the Congress leader said. BJP leader Shri @RahulGandhi ji is saddened at the verdict of Delhi. #CongressRespect pic.twitter.com/EUM2alEs3H — BJP (@BJP4India) May 23, 2019 He was addressing a press conference in Delhi, along with other Congress leaders, where they said the people wanted a change. "Let us respect the verdict of Delhi. Why should BJP leaders and ideologues be so sad? BJP leaders should take lessons from Delhi where BJP leaders should not try to put their hands into the people's mouth," Surjewala said, referring to the
