***** Xtreme Typing follows in the footsteps of other games like Breakout, Space Invaders, and Qix. Play as your favorite vehicle, be it a motorcycle or a space ship. There are no tutorials and no complaints! Just play and type fast, like a maniac! Game Features: *6 levels of racing *9 different levels of racing *Stunts and cool animations *Fun controls *Cool and crazy game music *Enjoyable game play *Easy to learn *Play as any of 8 available vehicles *Awesome game music *Colorful HD graphics

WHAT'S NEW IN V1.0.1: *Touch Free Version *App-optimized Now Available on the App Store. Enjoy!

WHAT'S NEW IN V1.0.2: *Touch free Version *Stunt mode Only *Updated all the vehicles with new designs. *Improvement in game play. *More game levels are coming soon! *Changed the background music. Thanks for everyone! Hi everyone, this is the second update of the game. I have added the third and fourth levels. This game started because I wished I had a motorcycle when I was playing the game Street Fighter, Rival Step, and Need For Speed. So I decide to make my own video

game. I hope you like it. And don't forget to take a look at the previous update. Thanks and Enjoy. Also, I would like to thank Ron Garcia from Xtreme Typing for the awesome themes and wallpapers! Not all videos show correctly on iPad?? If you have seen videos with a white screen with a different background, just restart the game and it should work fine. This game is based on previous games that I've made for the iPhone. This is what I'm working on: - Monsters - Unlock levels - Gamestructures - New Levels - More Cars/Bikes - More Sound effects - More Icons/Graphics - 1 4 8 3 3 3 8 8 * b * * 3 + 2 2 9 7 1 4 7 0 * b * * 2 + 6 3 2 2 5 5

Map Editor Description:

We would like to contribute to the N.H. Project by making this map editor. This is the version 1.0. map. Editor is still a work in progress, and the following features remain to be implemented:

- Map Description
- Change Map Description
- Key/Mouse Binding
- Map Goals
- Help
- Description text

Map Editor Features:

- Auto-save
- Options
- Manual edit

-
- XML file format
 - Save to XML
 - Compatible with Humanoid v1.0

Instructions to Open/Save XML file format:

1. Modify the XML file to your own ideas and rules.
2. Launch the map editor (MapEditor.exe)
3. Open the XML file.
4. Start a game.

What's new:

Usagi Yojimbo: Way of the Ronin is a 2005 American martial arts action comedy-fantasy film written, produced, and directed by Oren Peli. The film stars Ian Ziering as the titular Usagi Yojimbo, a red-socks-wearing ersatz samurai who fights criminals with a katana sword. Peli and the film's co-writer Jay Boberg also co-produced the film alongside Will Packer, the director of Universal's The Fast and the Furious film series and producer of the Oscar-winning comedy-drama drama Crash. Peli had been exploring the idea of adapting the science fiction comic book character as a feature film since a chance encounter with Steve Niles, the artist who illustrated the comic, at a comic book convention in 2004; Niles later introduced Peli to author and illustrator Scott Adams, with whom he shared the rights for the character. Together, Peli and Adams developed the plot for the film, with Adams serving as executive producer. George A. Romero provided his voice for a character made up solely for the film; he reprised the role in the comic book. Usagi Yojimbo: Way of the Ronin was released theatrically on July 26, 2005 by Miramax Films and 20th Century Fox. It grossed over \$60 million worldwide, despite its B-grade rating from Rottentomatoes.com, a website for film critics and contributors. Plot In the late 19th century, samurai named Abe and his servant Mutsu marooned on the island of a small, isolated town had their dreams of adventure and freedom crushed by the forced labor, strict discipline and increased bigotry that they faced upon arriving. Though the two were making a good living and did not care, Abe suffered from amnesia and cannot remember any of his identity. He is committed to a mental asylum, while Mutsu sold his master's sword to a leather salesman and joined the local sheriff's department

as a bobby. Abe seeks to escape his fate, and cunningly uses the jacket of the guard on the asylum, "Brad", who is dedicated to his job, to gain entry to the facility. As Abe prepares to attack Brad, the sheriff arrives and gives him a second chance to change his fate. The two gain the loyalty of the sheriff and his deputy, Sally, and find the people of the town inexplicably starving even though they have ample supplies
