21:20 REGISTRY: How to back up

and restore a Windows registry

REGISTRY: How to back up and restore a Windows registry

REGISTRY: How to back up and restore a Windows registry The following video shows how to back up the Windows Registry before making changes to avoid data loss. We recommend that you make a regular registry back up so you can restore it after making changes. Please make sure you have a back up prior to making any changes to the registry!
