The Revolution Will Be Recorded by Mike WiLL Made-It is the first posthumous release from American hip-hop artist Gil Scott-Heron. The album was released in April 2011 in the U.S. and on July 20, 2011 in the UK. It is a tribute album by American record producer Mike WiLL Made-It and notable artists including Freddie Gibbs, Black Thought, Bon Iver, Kendrick Lamar, Big K.R.I.T. and Kacy Grannis. The album features 14 songs written and performed by Scott-Heron. The lyrical content is a dedication to the legacy of Heron who died suddenly in 2011. Some of the songs are not fully in Mad-N-Made album form, but rather Scott-Heron's ideas are presented as rap lyrics. The album was released on iTunes. Track listing
