Whether your goal is to fight with friends or compete, or simply to live and enjoy yourself, the Lands Between will have plenty for you to do. GAMEPLAY Elden Ring is a unique action RPG. After being awoken from rest, you will be faced with an enormous world full of new challenges, as well as an adventure that begins with you being guided by grace. Your own character will be customized in many ways. You can choose one of the 7 races, and customize its appearance as you like. You can also equip a vast number of weapons, armor, and magic. By combining weapons and

armor, you can create a unique and powerful combat style that lets you defeat monsters and enemies more effectively. The landscapes you see as you travel the world are completely different depending on the race you choose, and you can even customize your house in a unique way.
