Kapow is a high-quality production music tracker that is primarily

based on a Free license model, but does offer premium accounts as well. In 2014, Kapow was available for both Mac and Windows users, with a number of different music database options available. With over a decade of experience as a recording studio, and a musician himself, Kazakoff is an artist in the truest sense of the word. For a smallish but well-rounded selection, check out his Soundcloud account. Fusing all the features he wished he had been given as a beginner (with some more advanced features), you have a powerful one stop recording studio experience. All audio tools, both streaming and offline, are available in Kapow, including Ableton Live, FL Studio, Pro Tools and more. The feature list is massive as well, with a number of specialty instruments available for previewing. It features one of the best and most extensive VSTi instrument libraries available.

DataPCDX11forge Rated 3 out of 5 xteejx -22- An all-in-one recording studio. Another indy tracker which has a pretty solid selection of quality sounds. At just over 0.5 GB, it's pretty compact for a large quantity of sounds. In addition to providing a Propellerhead Reason Soundfont download with the Propellerhead Reason Soundfont, can natively load Propellerhead Reason. Pros: In-depth instrument, library, synth, and effect library Comes with a free Apple Logic Soundfont Soundfonts for Propellerhead Reason can be downloaded free of charge Cons: Bit rate could be slightly higher Downloads as a single.rar archive Rating: 3 Datapcdx11forge Notable Features: 7,898.wav files 1,942 MIDI files 6,520 BPM of 48kHz / 24bit samples Notable Cons: There was a few minor issues with Ableton Live, but they were few and far between. Kapow is an open-source program that is available as freeware for the Mac and Windows platforms. With a few small exceptions, any files that can be loaded can be exported. Kapow is a high-quality production music tracker that is primarily based on a Free license model, but does
