All through the Bible, we see reference to the devil, he is called the adversary, or the accuser, or Lucifer, Luciferian, Devil, or the devil. He's a talking snake that entices Adam and Eve with forbidden fruit, and he is Satan who leads the host of demons through Hell. I know he is an "evil doer". I know he wants people to sin, to lead them astray. I know that he wants to bring people to Hell, because he loves to torture people in Hell. The name of this male version of

Inhibition of glutathione peroxidase during 3,3',4,4'-tetrachlorobiphenyl-induced hyperplasia of liver cell nests in rats. We have previously reported that hyperplasia of liver cell nests induced by perfluorooctanoic acid (PFOA) in the rat may occur in part by increased reactive oxygen species (ROS) production. To determine whether glutathione peroxidase (GPx) could be one of the important ROS-detoxifying enzymes and to assess whether the hyperplastic cell population responds to the increased ROS production, the effect of 3,3',4,4'-tetrachlorobiphenyl (TCB), a potent inducer of ROS, on GPx, selenium-dependent glutathione peroxidase (Se-GPx) and on glutathione transferase (GST) activities in the liver of rats was studied. The GPx activity in the male rats treated with TCB (1.0 mg/kg, once a week for 5

weeks) was lower than the control values (0.65-1.06 mU/mg protein) and that of Se-GPx was also decreased in the liver of TCB-treated rats. The GST activity in the male rats treated with TCB (1.0 mg/kg) was higher than the control values (5.9-6.9 m 6d1f23a050
