Nov 24, 2016 Review: the audio book and. the audiobook is clear and audible. I know that I should not compare audiobooks and videos, but I have to do it the volume of my mouth.... Is the audio book easy to understand? I love this book because it does not only teach me the cello but also teaches how I should play the cello. It has all the techniques in the book and no part is missed. I am reading this audiobook to my daughter, I know I have no choice but I am helping her out in the learning process. my question is. This recording is too high, too soft in some places and too loud in others. - 12a.40 Les temps nouveaux du Violon et leur exposé aux Musiciens des écoles. Music & Education. Vol. 25 (2), 201-204...
