

1. Download the Facebook Friends Mapper Chrome extension from the Google Chrome Web Store. 2. Add this extension to your Chrome browser. 3. Now open Facebook... The extension makes it easy to upload friends. Facebook Friends Mapper is one of the most useful tweaks you can make to your internet browser. It adds Facebook as an extension to Google Chrome that allows you to download and display Facebook friends. When you load Facebook friends into the browser, you can choose which ones you want to display in the list. You can even click on the search button to find a friend you don't see on Facebook.

**Download Facebook Friends Mapper**

This tool will allow you to quickly find any one's Facebook Friend, Contact or Group. Sometimes it can help to know what you have in common with your friends.
