Download Immortals movie 2011 Dual Audio (Hindi-English) 720p & 480p & 1080p. This is a movie with Dual Audio... to download this movie. Full Title: Immortals. I can't say that I'm thrilled with this movie, but... I can still say that the film is worth watching. In the movie you can see how an ordinary, unremarkable man gradually develops, changes, and eventually becomes a superhero. Yes, yes, this is the very same superhero that saved the world from total destruction. This movie teaches us to always believe and hope for the best, never miss a chance and believe in yourself. After all, you should always believe in yourself and never give up.
